

Slow Cooker Tips

1. Place root vegetables on the bottom—they take longer to cook.
2. Resist lifting the lid! Every peek adds cooking time.
3. Brown ground beef before adding it to the slow cooker.
4. Add fresh herbs near the end of cooking for the brightest flavor.
5. Dairy products are usually best stirred in during the last 30 minutes.
6. If you'll be gone all day, choose recipes designed for 8–10 hours on LOW.
